

Dear Parents,

Welcome to the 2022-2023 school year! We provide in-school and after-school services: Monday-Thursday **3:40-6:15pm** (weather permitting). Students from 6th-12th grades who attend Cusick School District are eligible to participate in our program. We have after-school snacks, a safe and fun environment for students to learn and spend time with their friends. Lone Yellowjohn is the 6th-8th grade coordinator and Rilee Lang is the 9th-12th grade coordinator. Staff will work with teachers, parents, and students inside and outside of school to help each student be as successful as possible. Dakota Littlecrow (HS) and Jason Cullooyah (JH) are the Activity Specialists' who will work in the learning center with your children providing healthy snacks, tutoring, and overall guidance to your students. Please fill out and sign the forms and return them to our building or with your students.

Our schedule for this year will be as follows, weather permitting:
(*NOTE: With the 4-day school schedule, there will be some minor changes to our routine after school. We will keep everyone updated on these changes, ASAP.

- Monday-Thursday: **3:40pm-6:15pm***
- Tuesday/Wednesday: 3:40-4:00 Smoking Cessation/Healthy Choices activity.
- First 20 minutes of each day will allow students to eat and enjoy supervised free time.
- Homework will start between 3:40pm-3:50pm and run until 5:15pm
- Students in the 6th grade will be taken home by **5:00pm each day**. 7th-12th can work until close. (*Dependent on no transportation issues*).
- ****** The schedule above will take place once school goes back to a standard schedule.

We are happy to introduce a strong academic program this year. Students will be expected to raise their grade point average with the support of coordinators and tutors available to them Monday-Thursday. The increased grade point average (GPA) will help students be eligible for sports, summer employment, and college. Students will be invited to join us on our first incentive trip regardless of their GPA. **After the first incentive they must meet a 2.2 GPA with no F's.** We know that each student is capable to achieve this goal and we will be here to support them. Students must attend an average of 2 days per week at the Camas Learning Center or more to be eligible for the monthly incentive trips. We realize that after school responsibilities can conflict with attending an average of twice a week. Staff will decide eligibility for incentives on a case-to-case basis regarding attendance. Please call or come by CLC anytime we're open.

Sincerely,

Marcella Haynes
Youth Activities Supervisor

Student Athlete Expectations
(Read this with your students)

Here at the Camas Learning Center, we encourage all students to participate in an extracurricular activity. The lessons learned on the field, track, and court are valuable life lessons that they will take with them well after the completion of High School. With that said, student athletes must realize that they are a student first. As we know, these practices and games can go late into the evening leaving little time to complete assigned homework. If your athlete(s) utilize the Camas Learning Center after a game or practice, here are a few rules that they must follow:

- Students must immediately get to the CLC after the conclusion of their practice/game.
- Students must bring something to work on: Homework, projects, studying, etc.
- Once the students arrive, they must get settled in and begin working on their tasks immediately.
- Student athletes must respect all staff requests without incident while at the CLC.

*If these expectations are not followed by the student athletes, staff will handle each situation, accordingly, including the student finding an alternate way home.

We look forward to another school year with your student athletes! We are here to support them with their academic and athletic goals anyway possible. On behalf of the entire CLC staff we wish you the best of luck in your upcoming season! Please sign below to acknowledge that you have read and agree to the expectations.
